GLOSSARY

- Lane assist** > guides to proper lane for navigation
- Junction view** > displays junction signs
- myTrends™** > predicts your routes
- trafficTrends™** > calculates routes based on predicted traffic flow
- Bluetooth** > connects to cellphone wirelessly for hands free phone calls
- Where Am I?** > find closest hospitals, police & gas stations, nearest address & intersection
- Garmin Locate™** > marks position when removed from windshield mount
- Exit services** > tells you approaching services on highway
- Custom POIs** > ability to add additional points of interest from active devices in transit, and current non-trend traffic incidents, to help you avoid traffic jams and keep moving.
- 3D Traffic** > 3D Traffic combines historical traffic data, current traffic data
- Digital 3D Traffic** > Delivers traffic updates every 30 seconds over the HD Radio™ broadcasting system. That's up to 10 times faster than traditional traffic receivers.
- Smartphone Link** > Allows your navigator and smartphone (currently only Android OS is supported) to share saved and recently found locations, where you parked, and your current destination. It also links your compatible navigator to Garmin Live Services, such as traffic, weather and fuel prices using your smartphone's current mobile data plan.

- Garmin Guidance 2.0**
 - > Faster routing and map displays
 - > Faster, more intuitive destination searches
 - > See and select businesses on map (no need to page through menus)
 - > Subscription-free traffic & live updates, re-route options, traffic cameras
 - > photoReal junction view highlights proper lane for interchanges and exits
 - > Park position recall finds your car
 - > Speed limit indicator (for select major roads)
 - > Automatic volume control
 - > Exit Services know what you'll find when you exit the highway

- Garmin Guidance 3.0**
 - > Includes all the features of Guidance 2.0 plus:
 - > Digital 3D Traffic provides updates every 30 seconds
 - > InstaSearch for faster spelling searches
 - > InstaRoute loads maps faster than ever
 - > Pinch-to-zoom multi-touch interaction
 - > Automatic dual-screen orientation (horizontal/vertical)
 - > Bird's eye lane guidance highlights proper lane with overhead perspective
 - > myTrends anticipates your destination based on your driving habits
 - > SafeText reader receive and hear texts without taking your eyes off the road
